These handy little Word Sorts make **AWESOME** take-home spelling lists! Students can cut out the words at home and use the provided sorting mat to practice reading and sorting their words throughout the week. To keep their materials organized, I always suggest to students to use a paperclip to attach the words onto the word list when they're not using them **AND** to keep it on the refrigerator or in their homework folder for the duration of the week.

COPY BACK-TO-BACK!
